

How to help someone learn?

Information for language assistants

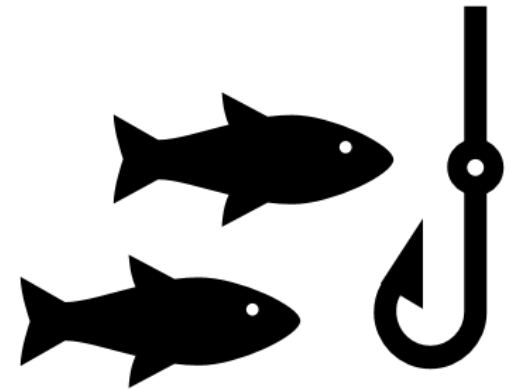

Erasmus+

How to help someone learn?

Give someone a fish, and you feed them for a day.

Teach them how to fish, and you feed them for a lifetime.

How to help someone learn?

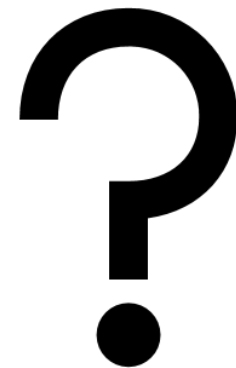

- Help the learner think
- Ask questions, rather than give answers
- Encourage them to try
- It is never bad to make a mistake

Finding the meaning of a word

Questions you can ask

- Where did you read or hear this word?
- What part did you understand?
- What do you think it could mean?
- How could you find the meaning?

Understanding a text

Questions you can ask

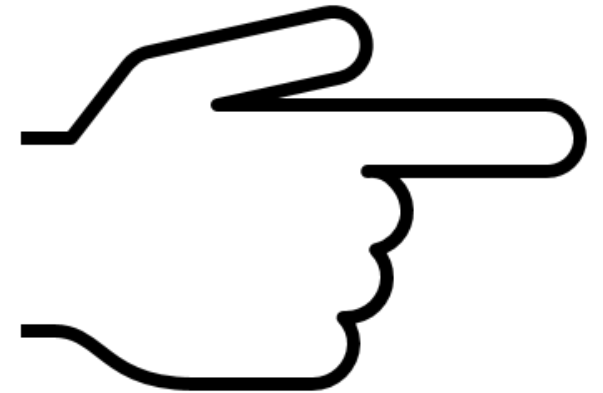

- What is it what you want to learn from the text?
- What part did you understand?
- Where do you think you can find the answer?
- How do you know that?

Understanding an instruction

Questions you can ask

- What is your question?
- What part did you understand?
- What do you think you need to do now?

Comparing new language and home language

- Give an example
- Avoid grammar terms
